3. Press the *Check Connection Button*. If all the instructions from the previous page have been followed, all the checks should pass. If not, redo the instructions from the previous page and try again. As part of the checks, the customer will be asked to confirm the serial number of the *Workshop Pro 10* Tablet. If it is the correct serial number, press *Yes* and the customer will be issued a 12-month license as part of their purchase. Otherwise, call AutoTest for further instructions. Next, press the *OK Button* when prompted. After that, press the *Start Button*. Enter the following details:

   1. First Name
   2. Last Name
   3. Company Name
   4. Email Address
   5. Mobile Number
   6. Billing Address
   7. City
   8. Post Code
   9. ABN

The country, state and the serial number for the tablet is prefilled. Once done, press the *Submit Button*.
